Varsity Cheerleaders Cheer

These pictures illustrate the hard work and constant effort the cheerleaders and their advisor make to boost the spirit at St. Clair High School. Among their many, many tasks are planning pep meetings, practicing pom-pom routines, boosting the team with breakfasts and decorating lockerrooms, painting sings, and putting on announcements. Oh! And getting the eligibility sheets to the office on time! The cheerleaders strive for better game attendance and Super Saint Spirit.

Editing of the 1972 Clairvoyant yearbook has been an unforgettable experience for our yearbook staff. Hard work, many new acquaintances, and lots of fun was put into this yearbook. We've worked with the support of the St. Clair County merchants, and other local organizations; and a special thanks to the clerical office staff, Mrs. Perret, Jan Behringer, and Carol Orzechowski for their art contributions; also, Mr. Roberts for his photography. Our hope is that students will benefit fond memories and humor that was put into this yearbook.
